Season's total accumulated from June 15, 2009 to present.

Daily counts taken from 00:00 to 24:00 hours.

Previous five year average is calculated by averaging year to date totals during the years of: **2004 to 2008**

During 2004 and 2007 RBDD gates were lowered early for an emergency closure. In 2005, 2006 and 2008 the gates were lowered on May 15th.
